

123 UP!

HAIR
CAUTERIZATION

ROCA COSMETICS

123 UP! Hair Clinic is a kit for damaged hair with three steps for hair regeneration and protection. Restructures the internal and external part of the hair that has been damaged by chemical processes, restores elasticity, resistance and hydration, besides promoting sealing of cuticles for a protected hair, with shine and intense smoothness.

1

INSTANT REGENERATOR

Promotes intense repairing action of damaged hair, replenishing the mass and reducing the parasity. Enriched with Collagen, Elastin, Keratin and Amino Acids.

2

INTENSIVE NUTRITION MASK

Promotes lipid replacement, intense emollience and nourshing, leaves hair detangled, silky, soft, and with intense shine. Enriched with Sunflower, Corn, Sesame, Macadamia, and Olive, Argan, and Ojon Oil's, and Amino Acids.

3

KERATIN CRYSTAL

Seals the cuticles providing intense conditioning, detangling and shiny to the fiber. Made with Keratin, Blend of Amino Acids and Wheat Protein.
