# Massa para Tapioca

FÉCULA DE MANDIOCA HIDRATADA

Preparing AMAFIL Tapioca Dough is very easy.

Place 4 or 5 tablespoons full of AMAFIL Tapioca Dough in a preheated, ungreased non-stick frying pan over medium heat and shape the dough into a pancake. As soon as the edges start to loosen, the tapioca is ready.

The tapioca filling is up to you. Sweet or savory, everything is very good with AMAFIL Tapioca Dough.
